YOUR PERFECT DAY – WELCOME TO THE ICE AGE

9.30 am
 Start your
 excursion to the
 eternal ice

A hearty breakfast is the best way to start a new day. From the valley station of the Matterhorn Glacier Paradise, a comfortable 8-seater gondola, the Matterhorn-Express, takes you from Zermatt via the hamlet of Furi up to Trockener Steg.

10.00 am
 Let yourself be
 enchanted by the
 unique nature

Passing by lush green pastures, traditional Valais barns and magnificent larch forests, you will reach Schwarzsee. A short stop is worthwhile - both the photo point and the mountain lake "Schwarzsee" are popular photo spots. On the journey continuing to Trockener Steg, you gradually immerse yourself in the world of eternal ice. Amidst of the former glacier landscape, the InfoCube at Trockener Steg is an interesting and informative location for a short stop.

11.30 am
 Welcome to the
 Matterhorn
 Glacier Paradise!

From Trockener Steg, the Matterhorn Glacier Ride brings you even higher up the mountain. The Crystal Ride gondola offers a particularly spectacular view onto the Theodul glacier. Welcome to the highest cable car station in Europe at an altitude of 3,883 metres above sea level. After a short visit to the Cinema Lounge, it is time for a yummy lunch in the Peak Restaurant. Enjoy your meal!

1.30 pm
 The Alps
 within reach

Refreshed and full of new energy, you can now marvel at the unique Alpine panorama from the viewing platform - let your gaze wander over the 38 four-thousand-metre high peaks and the 14 glaciers of the Swiss, French and Italian Alps. Then enter the eternal ice at the world's highest glacier palace and admire the handmade ice sculptures.

2.30 pm
 Time for an
 exploratory tour
 on foot

On your way back to Zermatt, be sure to make a stop in the hamlet of Furi. From here you can explore the area on short walks. How about a hike to the 100-metre suspension bridge? Once crossed, a visit to the "Dossen Glacier Garden" is a must. Or decide against the gondola ride back to Zermatt and head back on foot. Walk through the Gorner Gorge and pass by the Ricola herb garden in the hamlet of Blatten instead. Sound good to you?
